Dear General Secretary,

I am pleased to tell you that AZUR PARTNER COMMUNICATION S.A.R.L. subscribe to the 9 principles enumerated in the Worldwide Pact regarding the Human and Labour Rights, and the Protection of the Environment. We herewith, want to show our intention to back and promote these principles within our circle of influence, and we commit ourselves to clearly and openly show our support in this Pact.

Futhermore, we commit ourselves, among other things, to annually report to the Worldwide Pact, as we understand that this is one of the conditions that needs to be fulfilled in order to take part in the Pact. Consequently, we will once a year show the United Nations Organisation, with examples, what we have done to apply one or several of the 9 principles of the Worldwide Pact, and the lessons we have drawn from our actions in this domain.

Attached to this letter, you will find general information on our company as well as the name of the person in charge of communicating with the Worldwide Pact.

Yours faithfully,

Thierry FECOMME
Chairman and managing Director
